

 SEAT

SEAT  
**Aronda**

It's life,  
only bolder.

Take a look around you. Do you see roads? Or beginnings? Obstacles? Or possibilities? At SEAT, we see the world in all its wild, wonderful glory. We can't help it. We're from a place that buzzes with creative energy. Where different is just the done thing. And so everything we touch – from cars to bikes to new mobility solutions – is designed to help you live a bolder, brighter, more surprising life.

62 Environmental information

0808 ATX

The all-purpose urban SUV redesigned for those who choose to be bolder, live wilder, and act on impulse. So, take your passion and run with it, because you never know where it might lead when you dare to get carried away.

# Get carried away.

Sometimes all it takes is a little push for big things to happen.

Meet your  
new partner  
in crime.

# The new face of urban versatility.

A beefier new look comes complete with a redesigned front grille, front bumper and Full LED headlights, bringing bolder presence to the front. Adding a touch of sporty appeal, the roof spoiler and 18" Alloy wheels also enhance performance. And the handwritten logo? Just because every great work of art needs a signature.

EXTERIOR DESIGN

# Room for your little big obsessions.

A soft landing comes in handy when you're living it to the extreme. The stylish interior comes equipped with a soft dashboard, a steering wheel in Nappa leather and enough space to go wild with your passions. LED lighting around the airvents provides a truly unique ambience to your cabin.

# Always on your radar.

A bigger display lets you see and do more. The 9.2" SEAT infotainment screen floats on the dashboard bringing it closer to your line of sight, improving visibility, practicality and safety. While a 10.25" Digital Cockpit gives you easier viewing over maps and real-time traffic updates. And who needs a charger when you can charge your smartphone simply by placing it in the connectivity box?

# Big sounds inspire big moves.

 Apple Music

BEATS AUDIO

Play 75 million songs ad-free seamlessly with Apple Music built-in, and enjoy the ultimate in acoustic quality provided by Beats Audio®. Wireless Full Link means that your music syncs automatically as you get in your car. And to search destinations, addresses or media, all you have to do is ask. Say 'Hola Hola' to activate the system while keeping your hands on the wheel, staying fully in control.

Apple Music requires a subscription.

# Connecting you to your car, and your car to the world.

For a life always on the go, SEAT CONNECT puts control over your SEAT Arona at your fingertips. See its location and receive anti-theft alerts on your smartphone. Unlocking your car is as easy as unlocking your screen. Got a Navi System? Find petrol stations or parking prices. You can also send favourite destinations and planned routes from the App to the Infotainment.

## **Remote Access.**

See your SEAT Arona's location and lock and unlock it via your smartphone. It's like having your car in your pocket. You can even activate the horn and lights to locate your car quicker in a crowd.

## **Emergency call.**

Even on the longest trips, we'll pinpoint your whereabouts should you need assistance. eCall automatically contacts the emergency services, sending all of the necessary details in advance, saving time when it matters most.

## **Media on demand.**

Enjoy seamless connectivity to your favourite radio stations or podcasts from around the world and receive notifications about the road ahead, making it easier to find the quickest route.

30

### Traffic Sign Recognition.

See the current speed limits and overtaking restrictions on the Digital Cockpit. All thanks to the integrated front camera.

### Side Assist.

An extra eye on your blind spot. You're always aware of incoming cars when changing lanes or overtaking.

### High Beam Assist.

This system automatically switches headlights between low and high beam when detecting a vehicle ahead, reducing dazzle to other drivers to support safer driving.

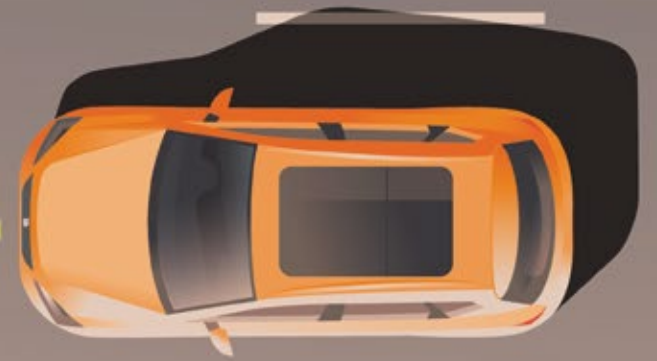

# Worries behind. Adventures ahead.

Your SEAT Arona is equipped with semi-automatic driving technology to keep you one step ahead of the traffic while also reducing the risk of accidents. Engineered to take the stress out of your ride.

## Lane Assist.

The built-in camera keeps you safely between the lines. Ideal for jams and heavy traffic.

Thrills come in all shapes and sizes. Discover which SEAT Arona trim is right for your adventure.

# Discover what drives you.

**XP & XP Plus trim.**

# Driving ambition to new extremes.

For the true feeling of freedom and adventure, you've really got to go a little further. A robust, upgraded rear bumper is made to go above and beyond, while the 10.25" Digital Cockpit gives you the tools to fully experience the off-road feeling of the XPERIENCE trim. Uphill battles have never been so much fun.

## **The finest fabrics.**

Nothing but the best for your interior. Your SEAT Arona XP comes standard in stylish and durable DINAMICA Black upholstery.

## **Always different.**

Your thing. Your style. Your SEAT Arona. With a choice of Candy White, Magnetic Tech or Midnight Black for your roof, there's nothing you can't make your own.

\* Only available for engines with more than 100 HP.

### Take on the road.

Get out and go in full confidence. The front grille and front spoiler add to the sporty nature of your SEAT Arona.

### Airvents in Grey.

Fresh design ideas to bring in the fresh air. Bring a hint of the outdoors indoors with illuminated airvents in Aran Green.

### You're in control.

The 9.2" screen with Navi floats higher on the dashboard, making navigating even easier and your dash extra stylish.

### Illuminate the way with innovation.

The ultimate in contemporary design and efficiency, premium quality FULL LED headlights are brilliant in more ways than one.

SE & SE Plus trim.

# Go wild in style.

From the sleek city streets to the muddy mountain peaks, the SE trim takes you to both without compromise. Combining a dynamic front end with performance enhancing 17" Dynamic Machined Alloy wheels in Nuclear Grey and marrying the look and attributes to get the most out of the inner city as well as the rugged outdoors.

## **Stay in total control, in total comfort.**

The leather-wrapped multifunctional steering wheel enhances grip for the ultimate driving sensation.

## **Modern lighting solutions.**

Eco LED headlights are not only an efficient solution, their clean-cut lines also brighten up your exterior.

\* Only available for engines with more than 100 HP.

### **Performance and style.**

16" DESIGN Alloy wheels enhance your Arona's style.

### **Neutral Grey airvents.**

Prefer a subtle colour scheme to your interior? Airvents in Neutral Grey adds a hint classic interior styling to your SEAT Arona.

### **In perfect rhythm.**

A floating 9.2" touchscreen with Navi System is raised to your line of sight, for greater visibility, safer driving and easier access to your online media.

### **Expressive looks.**

Confidence looks good on you. A redesigned front grille enhances the sophisticated charm of your SEAT Arona.

Your SEAT Arona comes with a range of accessories that put the ease into planning your trip. So, whatever is on the agenda, rest assured we have the right piece of kit for you.

The perfect getaway car  
for your great escape.

# Customisation.

Emphasise the sport in your SUV.

## **Side door mouldings.**

Sophisticated and stylish, the mouldings on the side doors bring out your SEAT Arona's dynamic design.

## **Aluminium pedals.**

Enhance the sporty driving feeling with aluminium pedals.

ACCESSORIES

# Protection.

If the journey was easy would it really be worth it? Luckily, we've taken care of some of the problems that you might encounter while en route.

## **Reversible boot tray.**

Designed for heavy use, taking the knocks to keep your boot looking younger for longer.

## **Boot organiser.**

For safer and more secure transportation of your gear. The boot organizer keeps a bit of order to your chaos.

**Net between seats.**

Store games and entertainment to keep backseat drivers occupied on longer expeditions.

**Front and rear mudflaps.**

Sketchy terrain? The mudflaps protect the underside of your SEAT Arona from flying debris, allowing you to leave the tarmac in confidence.

# Transport.

Spend less time loading up and more time on-piste with our range of ski racks designed for easier and safer transportation of your beloved equipment.

**Ski rack Xtender.**

Extendable for easy loading and unloading, without having to stretch over the car roof. The Ski rack X-tender also carries up to 5 pairs of skis or 2 snowboards.

**Ski rack.**

Purposefully designed for family use. This ski rack can hold up to 6 pairs skis or 4 snowboards.

# Transport.

Take your bike to the extremes when you need to feel the wind in your face.

## **Towing bike rack.**

The towing bike rack fits easily to the tow bar can carry 2 bicycles.

## **Bike rack.**

Transport your bike on your roof with easy and secure loading and unloading.

# Transport.

For all the excitement that life brings, have what you need when you need it.

## **Surf rack.**

Never miss a break with this handy surf rack. The rack adapts to the shape of your surfboard and can carry two of them.

## **Roof box.**

Protect your equipment from the elements with this stylish and aerodynamic roof box. Simple to assemble and anchor, it opens on both sides and is used together with roof bars. Ideal for longer family trips.

## **Roof bars.**

An essential piece of kit for natural-born thrillers. The roof bars are adaptable to accommodate most of your passions.

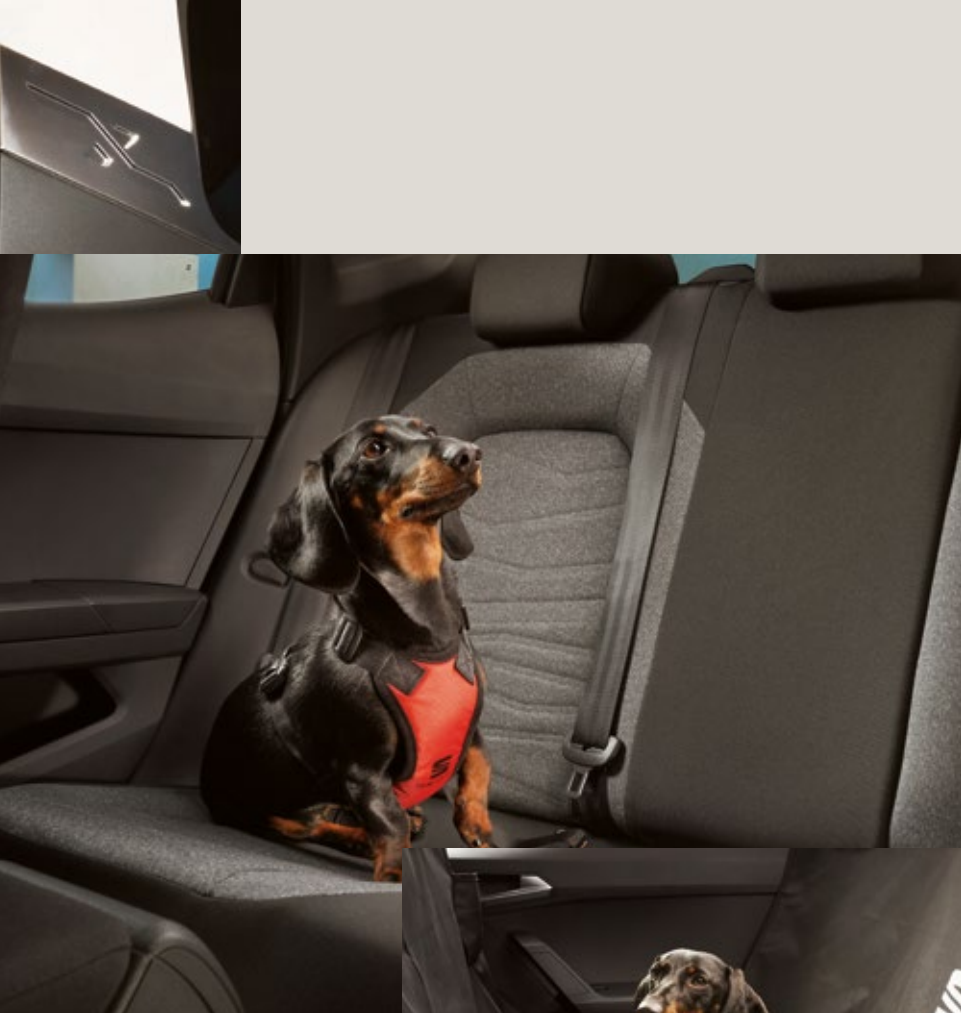

ACCESSORIES

# Pet accessories.

For family adventures, you really do need to bring the whole family.

## **Dog harness.**

Some are more excited to get there than others. And if they can't control themselves...

## **Separation grille and boot protector for pets.**

The easier way to keep your furry friends from getting into your cargo on the way.

## **Seat cover for pets.**

Keep your new back seats from getting damaged by scratches, moisture or hair. Total protection to your upholstery.

**Move to ZERO, SEAT's environmental mission**

 Climate Change.  Resources.  Air Quality.  Environmental compliance.

# Environmental information.

## Bodywork

Use of ultra-high strength steel, which together with hot stamping technology, permits a reduction in thicknesses and weight without loss of performance.

## Engines

Runs almost entirely on compressed natural gas (CNG), with just 9 litres for petrol. TGI engines are compatible with the use of natural gas from renewable sources, allowing reductions in CO<sub>2</sub> emissions (well to wheels) of about 80%.

## Seats

The use of new PUR foam formulations reduces the emission of volatile organic compounds (VOCs) in the cabin interior by up to 50%.

## Renewable and recycled materials

Use of renewable materials (cotton, natural rubber and cellulose) and recycled materials (plastics) in various parts of the vehicle.

## Aerodynamics

Improved vehicle aerodynamics, thanks to optimised design of the bodywork, wheels and cooling system.

## Lighting

Headlamps are 100% LED and some rear lamps versions include LED technology, reducing significantly power consumption and increasing life and effectiveness of the lamp.

## SEAT Eco Drive Profile

ECO mode allows a driving style that modifies engine and transmissions parameters in order to reduce fuel consumption and emissions.

## Manufacturing process

The re-usage of the sludge generated in our Paint Shop as base material for the construction of paved roads allows us to reduce the amount of waste generated in our productive processes and reduce the use of prime materials for the construction.

Recovery of part of the heat emitted during the incineration process in paint drying ovens, for use in space heating, heating process baths or absorption machines, among others.

## Tyres

Low rolling resistance tyres provide a reduction of the rolling resistance coefficient.

SEAT is committed to a policy of continuous product development and reserves the right to make changes to specifications, colours and prices without notice. The information in this brochure can therefore be given as guidance only. While SEAT makes every effort to ensure that specifications are accurate at the time of publication, you should always check with your authorised SEAT Partner for the latest information. Due to limitations of the printing process the colours reproduced in this brochure may vary slightly from the actual paint colour and material. This vehicle and all its parts, as well as the original spares, were designed according to the Legal Regulations governing the prevention and minimisation of Environmental Impact, through the use of recycled/ recyclable materials, with measures taken to achieve suitable recycling for the conservation and improvement of environmental quality.
